

Bergen Energy Efficiency Program

Furnace Rebate Application

The Village of Bergen Electric Company's Energy Efficiency Program or BEEP offers programs to its customers to make energy efficient upgrades that reduce energy consumption, save money and benefit the environment. The Furnace Rebate provides a rebate for the purchase and installation of a high efficiency furnace. Customers who primarily use an electric furnace or baseboard heat and upgrade to natural gas furnaces or heat pumps (mini split) are eligible for a \$2,000 rebate. All other furnace replacements/installations are eligible for a \$1000 rebate. New furnaces must be at least 92% efficient.

Please complete this form and mail or drop off to the Village Office along with:

- **Information and receipt with detail of new furnace.**
- **Invoice from installing contractor**
